Project Description:

After being approached by the Chair of Rutley and Conant TRA it was very clear they needed our help to carry out works to their hall as it had been neglected and was in need of some very necessary refurbishment. Our community team quickly moved into action and a scope of works was scheduled out and we agreed to fund these works. All works have now been completed and we have a very happy TRA.

Big thanks to all A & E Elkins staff and sub contractors for the hours they put in and for their continued support. Also big thanks for Nick Binder (Elkins Site Manager) for taking on the project in his own spare time and making it all possible.

Works:

- Redecoration to main hall
- New kitchen & worktop
- Refurbished skylight
