

Project Title:

Duchy House, Waterloo Bridge

Client:

Hartnell Taylor Cook

Date :

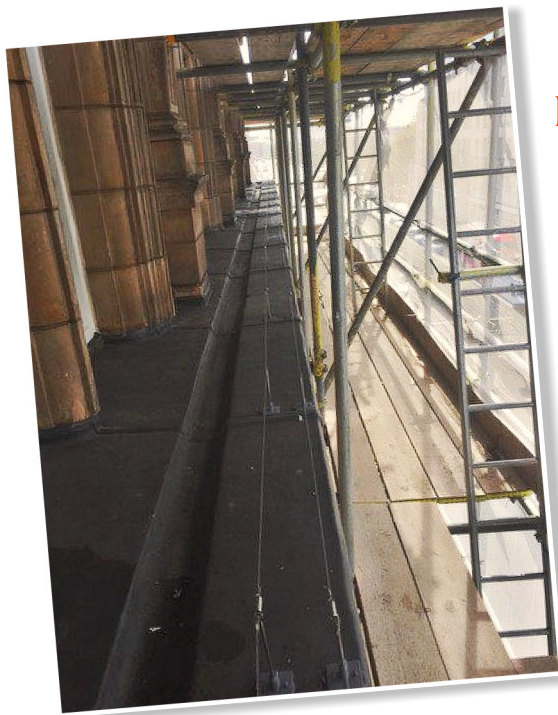

July 2016

Project Value:

£158,000.00

Programme Duration:

10 weeks

Project Description:

Following a full tender process A & E Elkins were awarded Duchy House. The building is part of Her Majesty, The Queen's, prestigious estate and is prominently situated on Waterloo Bridge. Works were completed within budget and to a tight programme as set out by the client.

Works:

- Scaffolding
- Window Overhaul and repair
- External Decoration
- Leadwork and roof repairs
- Pigeon deterrent works

A & E Elkins has over 50 years of roofing experience. We have carried out projects in buildings such as Buckingham Palace, The British Museum, Kensington Palace and St James Palace. This year we were very proud to be awarded diamond excellence by The National Federation of roofing for our immaculate Health and Safety performance.
