Building sites signify to the public that works are in progress, and this can sometimes result in bogus callers who will attempt to visit and gain entrance to properties by claiming to be involved in the works.

Please remain fully aware and vigilant of this possible security risk and always ask to see an identification badge.

If you are still unsure, please immediately contact our Resident Liaison Officer, any of our bonafide workmen will be more than happy to wait while you check.

Our ID badge provides details of the operatives' name and position, and contain a photograph of the operative.

Authentic cards will clearly show the A&E Elkins logo.

If in doubt, please call the RLO'S for verification or the Police.

For emergency repairs that need immediate attention, please call the Contact Centre on FREEPHONE 0800 952 4444 or 020 7525 2600.

All non-emergency repairs can be reported on the Southwark Council website 24/7.
