Please read your Residents Handbook for full details about the proposed work and schedules to your estate and property.

Dear Resident

Welcome to the fourteenth edition of the Pullens Estate Newsletter. Southwark council are investing £5.3 million in improvements to your homes and the estate. A&E Elkins Ltd will provide these works as the long term partnering Contractors for your area.

We will be sending out monthly newsletters to keep you informed of progress of works and we welcome any comments regarding what you would like to see in the next edition.

WORKS DESCRIPTION AND UPDATES

Peacock St: External works 100% complete

Iliffe St 1-96: External works 100% complete. Roof doors will be completed on completion of estate works.

Crampton St – 56- 182: External works 100% complete. Letters have been sent to residents for the collection of roof door keys.

25-56 Penton Place: Scaffolding 100% complete.

If you are a ground floor occupier and have plants at the rear garden, please be aware that we will not be able to accept responsibility for these if they are damaged or die, due to lack of light. However, we will offer assistance, by moving items to the roof area if required. If you would like assistance with the moving of plants/garden items, please contact your resident liaison officer Vicki Sheldon.

Amelia St: Rear scaffolding will be dismantled on the completion of each stairwell.

Whilst scaffolding is in place, the roof area remains part of a construction site. There will be **'Strictly No Access'** for residents during this time. If you have any plants that need watering or property on the roof that you are concerned about, please contact your resident liaison officer **Vicki Sheldon**.

We will inform you once works have been completed and scaffolding is due to be dismantled.

IMPORTANT! Please be reminded to inform your insurance company that scaffolding has been erected around your building! If you do not it may invalidate your insurance.

Please also ensure that *all your windows and doors are secure before you leave your property. For properties with no scaffolding at present, the roof doors have been locked and residents will be issued with a key in due course.*

We work as part of the
**Considerate
Constructors Scheme**

For more information, please call
08007 831423 or visit the website
on www.ccscheme.org.uk

Building sites signify to the public that works are in progress, and this can sometimes result in bogus callers who will attempt to visit and gain entrance to properties by claiming to be involved in the works.

Please remain fully aware and vigilant of this possible security risk and always ask to see an identification badge.

If you are still unsure, please immediately contact our Resident Liaison Officer, any of our bonafide workmen will be more than happy to wait while you check.

Our ID badge provides details of the operatives' name and position, and contain a photograph of the operative.

Authentic cards will clearly show the A&E Elkins logo.

If in doubt, please call the RLO'S for verification or the Police.

For emergency repairs that need immediate attention, please call the Contact Centre on FREEPHONE 0800 952 4444 or 020 7525 2600.

All non-emergency repairs can be reported on the Southwark Council website 24/7.

Visit:
<http://www.southwark.gov.uk/repairs>

Chimneys: There will be some chimney works carried out. There may be occurrences where soot and dust fall down the chimneys into properties. This has happened in the past and may occur in the future. We would advise all residents to cover fire places if they are still in use, to minimise any dust/soot.

Window Overhauls: Window work appointments are currently being carried out in Amelia Street and appointments have started to be arranged for 25-56 Penton Place. Ground floor properties will have appointments arranged once the scaffolding has been dismantled. If you have not had an appointment made, **Vicki Sheldon** will be in touch in due course.

Electrical Surveys: Electrical surveys have been carried out to most of Southwark tenanted properties. Letters have been sent advising residents to contact their resident liaison officer **Vicki Sheldon** to arrange a convenient appointment.

Electrical Upgrade: The majority of electric works have commenced, if you have not yet received an appointment please contact resident liaison officer **Vicki Sheldon** who will be happy to arrange a convenient appointment.

Surveys - Front entrance doors Front entrance door surveys have been carried out to the majority of the estate. If you have not yet had a front door survey **Vicki Sheldon** will be in touch in due course. The pilot door has been completed and residents are able to see what works are being carried out.

Satisfaction Surveys have been posted to Peacock Street & Crampton Street. We would be grateful if residents could complete and return to 6 Stopford Road, London, SE17 3BP or alternatively you can call **Vicki Sheldon** to collect.

CUSTOMER SATISFACTION SURVEY FORMS

Satisfaction Surveys will be posted to all residents once your block is complete and scaffolding is taken down. We would greatly appreciate if residents would take the time to complete the survey questionnaire and return the form to RLO Vicki in person or visit us at our site office – 6 Stopford Road SE17 3BP.

Please Note: Residents who complete the Southwark survey form will be entered into a prize draw with the chance of winning £1000.
